

# Can't Take My Eyes Off Of You

Bumblefoot

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you

Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak  
But if you feel like I feel  
Please let me know that it's real  
You're just too good to be true  
Can't take my eyes off of you

I love you baby and if it's quite all right  
I need you baby to warm the lonely night  
I love you baby, trust in me when I say  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I've found you stay  
And let me love you baby, let me love you

C'mon now, I just wanna love you

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you

I love you baby and if it's quite all right  
I need you baby to warm the lonely nights  
I love you baby, trust in me when I say  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I've found you stay  
Oh pretty baby, trust in me when I say

I love you baby and if it's quite all right  
I need you baby to warm the lonely nights  
I love you baby, trust in me when I say  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I've found you stay  
Oh pretty baby, trust in me when I say
