Bumblefoot

Hey sweet Daisy - I'm crazy over you
From all them 'mazing things your hips can do
Hey sweet Daisy - I'm crazy over you
Britney sweet as can be I see you but ya don't see me
Jenni Love from Heaven above I'd lie if I said I could
get enough
I got me a girl to touch and feel, but I'm not so sure
I know what's real

I don't wanna see her - I got no time
I wouldn't wanna be her - I got no time
While she's sitting and waiting I'm home masturbating
And I can't get the girlie-girls outta my mind
And I really don't wanna try

Ya make me break - ya take my mind and crack-ack-a
I banga ya dor ba nombody home I ba-ba-ba
I locoll ya da fone no tone I rong-ong-a
Ya make me crazy - make me wanna come for ya
Don't push me hard I might crack-ack-a
I'm fallin' hard for ya keep me comin' back-ack-a
I'm crunchin' all the time - I can't ignore ya
Been crunchin' myself blind from the first time I saw
ya

I don't wanna see her - I got no time
I wouldn't wanna be her - I got no time
While she's sitting and waiting I'm home masturbating

And I can't get the girlie-girls outta my mind
And I think I'd rather fuckin' die

Ya make me break - ya take my mind and crack-ack-a
I banga ya dor ba nombody home I ba-ba-ba
I locoll ya da fone no tone I rong-ong-a
Ya make me crazy - make me wanna come for ya
Don't push me hard I might crack-ack-a
I'm fallin' hard for ya keep me comin' back-ack-a
I'm crunchin' all the time - I can't ignore ya
Been crunchin' myself blind from the first time I saw
ya

I had to quit my job so I could live like I'm
underground
'Cause I found out the world is made of string
Everything

Deprivate 'till I start to rotate in my seat
Pick and scrape at one piece sweaty scalp yellowmeat
'Cause I found out the world is made of string
Everything

Crunchin' time cruchin' blind crunchin' pieces of
stable mind
Lifted hard broken scabs - saw a piece of the bigger
map
Pulled my cock 'till it broke - all that mattered was

just a joke
'Cause I found out the world is made of string
Everything
