She Knows

Bumblefoot

I forgot her name – 100 girls look the same
When I close my eyes – All I do is fantasize
And she knows – she goes,
"Tell me I'm the only one on your mind,
When you close your eyes"

All I wanna do is give my song to you
She looks away – I ask why but she won't say
It's cause she knows – it shows
So how can I stop the tears my baby cries,
When I close my eyes

Hush little baby, don't ya know you're my lady
And ya know we're always gonna be together
If I'm lyin' let the sun stop shinin'
Cause I'll have you to light my way forever
What else can I say?

And she knows – she goes,
"Tell me I'm the only one on your mind,
When you close your eyes"

So how can I stop the tears my baby's cryin'
How can I let her know my heart never lies
When I close my eyes
