

T.I.E (Take It Easy)

BUMKEY

All the things that I pass by
I swear I've seen 'em all somewhere
Just like I'm having all the deja vu
Feelin' like I'm runnin' in a circle
No matter how I try
And no matter what I do
I feel like I'm stuck in here forever
Sometimes I wanna get away somehow
Can somebody tell me now?
The way I feel is what you feel today

I guess we're all the same
It don't matter who we are
We've been searchin' for the things
That don't belong to us
The more I try to hold'em in my hands
They quickly slip away
But now I know the reason
And I'll try to get myself back
I wanna get it back so bad

I've never claimed to be perfect
But I'm trying every day
I know that nothin's for certain
But I know I'm on my way
To them pearly gates
Hope my heart stays pure
Cause Lord knows it ain't easy
Practice patients
And wait for whats in store
And I bow my head and pray
Lookin' up at the sky I smile
Altho I trip and fall sometimes
You'll be there pick me up
Set me straight
So I stay strong

I guess we're all the same
It don't matter who we are
We've been searchin' for the things
That don't belong to us
The more I try to hold 'em in my hands
They quickly slip away
But now I know the reason
And I'll try to get myself back

With all the ups and downs
This is what you call it life
I know it's tough y'all but I know that you can get it right
There ain't no doubt about it
Always had the trust in you
Suffocated in this cold world
The pressure's killin' you
I'm tellin' you, it's time for you to move on
The past is gone
You gotta keep your head up and get your groove on
You're not alone in this lonely game

We all feel the same
