Come see the band do lose
Skank in the morning
Dub to the Rockers
And keep rollin' on
The band do lose
Skank in the evening
Dub to the Rockers
And keep rollin', rollin' on
Little brother don't cry
For Jah Jah you standing by
Little I-dren don't cry
For Jah Jah you standing by
Little brother don't cry
Wipe your weeping eye

Help me up brothers
Help me up sisters
Help me with this heavy load
Help me up brothers
Help me up sisters
Help me with this heavy load
