

Deals With The Devil

Buray

When I was young my head was open minded, never been hurt before
e

Children would dance when parents hit the bottle, everyone bad
for sure

'Cause I could never go forever, run forever, never be you, ooh
If I could ever live forever, love forever, never be blue, ooh

Sell your soul

Take control

'Cause I'm making deals

Deep in my bones I felt like I was blinded

Didn't know what I'd done

I never thought that I could be excited holding a loaded gun

'Cause I could never go forever, run forever, never be you, ooh

If I could ever live forever, love forever, never be blue, ooh
