

## Sounds of Desperation

### Burden Of Grief

A burning fight inside that gets me falling down  
I want to hide myself, denial of my soul  
The toil deep inside, anxiety occur  
The deepest fear I find, sorrow wit bout cure

Desperation overcomes  
The sound of desperation deep in me and all over my skin

I'm falling deeper down, on and on and on  
It's like close the ground horrify my soul  
And then I close my eyes, start to stop to think  
My thoughts drift away, feels like punishment

I'm falling deeper, into the darkest ground  
I'm falling deeper and I loose my mind

Desperation overcomes  
The sound of desperation deep in me and all over my skin

This burning fight inside that gets me falling down  
I want to hide myself, denial of my soul  
Now I close my eyes and I stop to think  
Let it all happen here, I will float away

I'm falling deeper, into the darkest ground  
I'm falling deeper and I loose myself

Desperation overcomes  
The sound of desperation deep in me and all over my skin  
Desperation overcomes  
Figures of confusion no rules no retribution at this time
