## Burial

Whose fault  
No one  
And you know  
Whose fault  
No one  
And you know  
Whose fault  
No one  
Whose fault  
No one but myself  
Whose fault  
No one but myself  
Whose fault  
No one  
Whose fault  
No one but myself  
And you know  
Whose fault  
No one but myself  
Whose fault  
No one but myself  
Whose fault  
No one but myself  
Whose fault  
No one but myself  
Whose fault  
No one but myself  
Whose fault  
No one but myself  
Whose fault  
No one but myself
