

Bring Me Home

Buried In Verona

I feel like I've got Nothing left
Been searching so long for a reason to Live
The deeper I dig, the more I'm losing my grip
If I let go would you hold on anyway?

I'm at the edge
I'm facing the end
Should I leave it all behind?
Can I live this life?
Wake me up
Save me
I'm lost and I'm alone
Take me Home

Goodbyes only getting harder
I see it on your face that you
Hope it's the last time
Ink's blurred on the page,
Tears falling from rafters
I hope I choose well when I'm playing with Fire

I'm coming Home
I'm coming Home

I'm getting back to me
Back to the Man that you need me to be
It's been so long, I've been so far away

Give me one more chance You'll See
The Best of Me

I'm at the edge
I'm facing the end
Should I leave it all behind?
Can I live this Life?
Wake me up
Save me
I'm lost and I'm alone
Take me Home

I've watched as I fall
Now watch as I fall away
From the Stars to the Oceans
And I'm floating far away
You are the rope, you are the anchor
Holding me back from the Edge
You are the strength and the Love
To bring me Home again...

I'm at the edge
I'm facing the end
Should I leave it all behind?
Can I live this life?
Wake me up
Save me
I'm lost and I'm alone
Take me Home
