

# The Damned

## Buried In Verona

Never wanna see the hands of the clock moving back  
The bridge has been dammed no forgiveness I can't  
You pushed and you pulled while you hide in your hole  
I hate all the years that stole from my soul  
You are nothing

What you gonna do now  
What you gonna do now  
What you gonna do now  
You're dead to me

Take me up, Take me up higher (higher)  
Free my world, leave it on fire  
And I've been waiting my whole damn life  
Forever and I've come so far  
And it's all I've got in me

I never had a chance  
When you decided my fate  
You overruled all the decisions I made  
Never got to see my potential  
You said things that were so detrimental  
But now I have found my home  
Found my home and I won't go back

You can't take me  
No  
I never wanna go back

For all the lies you told  
You're dead to me  
For every word you said  
You're dead to me  
For all the silent mouths  
You're dead to me  
All of you  
You're dead to me  
You're dead to me
