You just not gone be fucking with me
It's forever I'm stuck with my team
Tell them shadows I'm fucking OD
I got ten toes on my feet, so it's ten toes Ayomi
Better watch how you talking to me
If you talking, boy you better mean it (mean it)
Yeah I do this for my people, yeah I do this for myself

Couple niggas didn't like me, niggas couldn't get it like me
