

# Before

Burna Boy

She say she no know me before  
Them say they no know me before  
They be no dey feel me before  
They say them no see me before  
Before before before before  
Before before before before  
Before before before before  
Before before before before

Remember, na bin i try to tell am  
[?] na wetin dey talk for kenya  
Kool u temper she wan leave me follow ikenna  
No be so baby e baby o baby e  
O le go, se tori mo olowo  
Wo wa fe ma chinko o wo wa fe ma chinko o  
Baby o wan le to, she tori mo olowo  
Shey them don see me before  
Make them talk wetin them want

She say she no know me before  
Them say they no know me before  
They be no dey feel me before  
They say them no see me before  
Before before before before  
Before before before before  
Before before before before  
Before before before before

Its very very obvious is too obvious  
The boy a gbawala, the boy ah chawala  
Fa ne ko nu, umu nwanyi na nagbaka  
Eba ije o na fo nu, oye ogbula ya gbagari  
Let them say let them talk  
Oye kuru cho ge gbuma o  
Let them say let them talk  
Oye kuru cho ge gbuma o

She say she no know me before  
Them say they no know me before  
They be no dey feel me before  
They say them no see me before  
Before before before before  
Before before before before  
Before before before before  
Before before before before

Them be no know me o, now them know me o  
Them be no know me o, now them know me o  
Everybody body body body body body body body know me  
Dy body body body body body body body know me  
Them be no know me o, now them know me o  
Them be no know me o, now them know me o  
Everybody body body body body body body body know me (before before before before)  
Dy body body body body body body body know me (before before before before)  
Before before before before  
Before before before before
