

Born Winner

Burna Boy

You are born to be great, self talk matters
Eternal talk with eternal significance is very important
Never say to yourself, "I am confused, I am a loser," no
But say to yourself what God says about you
You are not born to fail
You are not born to lose
You are not born to be insignificant
You are born to win

It's been a long road, long road
To where I'm standing, standing
Nothing was random, random
Stick to the plan, that's standard
Pull up in all Black Panther
You don't want no smoke, ganja
Cold like the North Pole, Santa
It's been a long road

Orí ja o
Ẹlẹda mi wá ja fún mi, ja o
Gbogbo ọtá mi àti enemies sa fún mi
Born winner, oh
This na testimony of a born winner, oh
E rán mi n'ìṣe, mo de n ṣíṣe yẹn o
Àdúrà, àdúrà mama mi ti gba o
I no fi shout, orí ja o

Wọn ní, wọn sope
Kí lo ni ton fe so?
O n gbóná tọn fe so, o n jo wọn l'owo
Undisclosed location, put them on suspension
Professional for my profession
Mi o gba o, you go still tire yeah
I made bless a child, it's necessary, don't attempt to even try
'Cause all this time, I been making sacrifices
Now I'm fortified

Orí ja o
Ẹlẹda mi wá ja fún mi, ja o
Gbogbo ọtá mi àti enemies sá fún mi
Born winner, oh
This na testimony of a born winner, oh
E rán mi n'ìṣe, mo de n ṣíṣe yẹn o
Àdúrà, àdúrà mama mi ti gba o
I no fi shout, orí ja o

Remember, you are not born to be discouraged
You are not born to lose direction in life
You are not born to be any other thing than to win (Orí ja o, this na testimon
ony of a born winner, oh)
And to enjoy God in this life
Your path may have some challenge along the way
But it is temporary and cannot define you (Àdúrà, àdúrà, mama mi ti gba o)
Your guiding light shines ahead of you
Follow it, you are born to win
