Ah yeah  
Oh, oh, oh, oh, oh

She said she want me inside her  
To get behind her  
Then she bend over  
I hit the spot like a sniper  
She said she want me fi stab her  
A hundred times with my dagger  
I do just that when I grab her  
Shawty got a booty like her mama  
Hit it with my hammer  
Once I pu-pu-pu put it on her  
She gon' stammer  
She say, "Don't stop, daddy  
We ain't done, we ain't done  
Hold on daddy  
Make me cum, make me cum  
So I beat that pussy like a drum, like a drum  
P-rum-pum-pu-pum-pum-pum

She make me say ay-ay-ay-ay-ay  
When she wine that behind
