Ngiphakamise (Ngiphakamise)  
Ngiphakamise (Ngiphakamise, this is my story)  
Happy birthday to you  
Happy birthday to you  
Happy birthday, dear Damini  
Happy birthday to you  
How old are you now?

(Oh, man)  
Glory, yeah  
Like the last time that you ever seen me, hold me, ah  
Lately, I've been fucked up, been havin' a hard time  
Like back when my dawg died  
Felt my heart split apart like apartheid  
I could have survived, thug life full of combine  
Hold it down, I was sentenced by the crown  
And I never used to smile, though I never used to frown  
Ten toes on the ground, what the hell?  
My life came turnin' around from runnin' wild in my town to the glory

Hold me, ah (Ngiphakamise)  
This is my story, yeah (Indaba yami le)  
Glory, yeah  
Like the last time that you ever seen me, hold me, ah

I remember when they shipped me from the cans  
To Chelmsford HMP and my celly had it bad  
So I had to have his back, niggas started fightin'  
And then they cut me on my hand  
So I grabbed one from the back and I flung him off the landing  
You know the screws get extra ruthless when you're Black  
Layin' on my back, now the block's feelin' mad  
Now I'm in a lab tryna do the best I can

Hold me, ah, this is my story, yes  
Glory, yeah  
Like the last time that you ever seen me, hold me, ah

Said, first things first  
I finna let you know that I been bad since birth  
I heard it from the nurse  
Lookin' and went searchin' through trials that occurred  
Then I started workin' twice as hard  
Havin' nightmares of the day I fall off  
But I stick around like herpes, I ain't lettin' up  
With harmonies just like Bone Thugz, ooh

Hold me, ah, this is my story, yeah  
Glory, yeah

Like the last time that you ever seen me, hold me, ah  
Glory, yeah

This is my story (Glory)  
Indaba yami le (Glory)
