

Na so E Suppose Be

Burna Boy

Aristokrat records
Aii, me say A to the R
Representing the world
One time

Me see roses everywhere
Close my eyes and drift cause I don't care
Listen girl let's be proper
Me tell your daddy you ma pa sexy daughter
Till we have a daughter be my baby mother
Then we get time for loving to one another
Gat me falling helplessly
Me can't correct none of the chemistry
We are kiss and caress ina me balcony
Feeling all alone nobody helping me

Make we jolly together everybody dancing together
Na so e suppose be
Come close my baby don't be ashamed ah ah
Na so e suppose be
I say na so e suppose
So e suppose
Na so e suppose be
I say na so you suppose
Na So you suppose
Na so you suppose be
Jolly together everybody dancing together
Na so e suppose be
Come close my baby don't be ashamed ah ah
Na so e suppose be
I say na so you suppose
So you suppose
