

No No No

Burna Boy

I pledge to Nigeria my country
If I've offended you
Please pardon me
People think say burna boy na junky
Coz I no sing iworiwo like waconzy
I have a very big budget
I'm on fire so please dont touch it
No no no
Nobody can stop it
Coz I'm about to blast off like rocket
I'm in front
Dem boi they are stuck in the back
Coz me I'm always talking the fact
I don't do weak flows coz I never lack
You see my flow is always intact
You want to tell my story
When you ain't never ever done shit for me
You must think that I forgot
The times when you use to ignore me

Wonfe somi di yeye oooooo
Woni ki malobe yen oooooo
Wonfe somi di yeye oooooo
Woni ki malobe yen oooooo
Ahn ahn ahn
No no no no no
Ahn ahn ahn ahn ahn

I'm sure say Una go know my voice
Na me dem dey confuse for Yoruba boy
But I'm confirm Ahoda boy
I be confirm Ahoda boy eh
No go think say because I dey blow grammar
Say I no be Ahoda boy
No go think say because I dey blow grammar
Say I no be Ahoda boy
Its been a long time coming
Better make sure Babylon gets punished
Truth be said is only crime I commit
But now I speak and they are all astonished
I'm in front
Dem boy dey are stuck in the back
Coz I'm always talking the fact
I don't do weak flows coz I never lack
And I'm always working
I never relax

Wonfe somi di yeye oooooo
Woni ki malobe yen oooooo
Wonfe somi di yeye oooooo
Woni ki malobe yen oooooo
