

No Panic

Burna Boy

Get everything pass all of them
No know who dey gas all of them
Me I just dey laugh all of them
Until when men go catch all of them
Use Timberland match all of them
'Cause ogun want to nyash all of them
Holy water splash all of them
I get ọpọlọ pass all of them

Me, I no panic
No panic
Me, I no panic
Them dey whine me, I no panic
Me, I no panic
No panic
Me, I no panic
Them go whine you but no panic
As dem dey whine me, I no panic
As dem dey whine you, no panic
No panic
Them go whine you but no panic

Them say I kidnap one of them
But I just dey laugh all of them
'Cause if I kidnap one of them
You no go ever see them again
Their mama go find them again
Their papa go find them again
Social media go find them again
Then police go dey find me again

Me, I no panic
No panic
Me, I no panic
Them dey whine me, I no panic
Me, I no panic
No panic
Me, I no panic
Them go whine you but no panic
As dem dey whine me, I no panic
As dem dey whine you, no panic
No panic
Them go whine you but no panic

I get money pass all of them
Get ọpọlọ pass all of them
And I just dey laugh all of them
Me, I just dey laugh all of them
Na until I catch one of them
Use Timberland match all of them
Or my brother blast one of them
Take my money dash one of them
Holy water splash one of them
Holy water splash all of them
Holy water splash all of them
Holy water splash all of them
