Normal

Burna Boy

Oya s'ogo ologo, omo ologo
Lo ra motor, ko le tomorrow
Naira, kobo, owo ni koko
I see the future, mo loju kokoro
Aiye le kokoko, inside jungle
And if you blow, j'ijo poco
S'ogo ologo
Omo logo, ma n s'agolo

To ba le gbe mi de bẹ, I go follow
I no like trouble
Don't like catching feelings
O bo ri bí mo ṣe n gawu, gawu
No get many padi
Girls dem dey pack like sardine
Gba gbe
Wetin man go talk, e be normal, normal
(Omo ologo) Normal, normal
(Omo ologo, logo go) Normal, normal
(Wa ba mi de eko) Normal, normal

Toba le gbé mi de bẹ
Only the money, gbé mi de bẹ
People dey doubt, sey e sure for me ké?
Rich nigga before I sign to label
I dey grind from day one 'cause I like to make sense
One, two girls, and I want them naked
Monogamy is overrated
Need more girls 'cause my brother dey there
And we like to make friends
Once in a year
Try to dey knack somebody girlfriend
Find one sweet one, carry debe
To bá lọ gọ́, wárí meme, oh

To ba le gbe mi de bẹ, I go follow
I no like trouble
Don't like catching feelings
O bo ri bí mo ṣe n gawu, gawu
No get many padi
Girls dem dey pack like sardine
Gba gbe
Wetin man go talk, e be normal, normal
(Omo ologo) Normal, normal
(Omo ologo, logo go) Normal, normal
(Wa ba mi de eko) Normal, normal
(T'on ba no ko'o gbe eko) It be normal, normal
(Omo ologo) Normal, normal
(Omo ologo, logo go) Normal, normal
(Ba mi l'eko) Normal, normal

Toba lé gbe mi de be, I go follow
