

# Outside

**Burna Boy**

Many different rules outside, you're new outside (so watch how ya move outside)

Better not get confused outside, dem go lose outside (so watch how ya move outside)

You no gon know if you no go

Don't try reap what you don't sow

Anytime you dey for road better don't slow wo wo wo

I can't remember how it happened

Tell me now

And if I feel it any deeper, I might drown

Now I know you can never tell what is going down

From the outside (from the outside)

Outside (from the outside)

Outside, I'm on the outside

Any deeper (and I may be)

Any deeper (and and I)

Any deeper (and I may be)

Any deeper (so watch how ya move outside)

Any deeper (and I may be)

Any deeper (and and I)

Any deeper (and I may be)

Any deeper (so watch how ya move)

Outside of the jungle

Look around and no see nobody to run to

Wetin my eyes see for jungle

Look around and no see nowhere to run go

My brothers plenty for the jungle

But dey no know me again for the jungle

My people plenty for the jungle

But it's everybody for themselves inna the jungle

Dem mama no go dey there

That's the reason why me tell you say

I can't remember how it happened

Tell me now

And if I feel it any deeper, I might drown

Now I know you can never tell what is going down

From the outside (from the outside)

Outside (from the outside)

Outside, I'm on the outside

Any deeper (and I may be)

Any deeper (and and I)

Any deeper

Many different rules outside, you're new outside (so watch how ya move outside)

Better not get confused outside, dem go lose outside (so watch how ya move outside)

You no gon know if you no go

No say me have nuff history outside

Show you just how it feels to be outside

Shit that make it hard to sleep at night  
I take you to these memories of mine  
Come dey feel like say nobody fit to help me  
Like say I dey shout but nobody hear me  
Until finally nothing come dey fear me anymore (ye)  
If only father God can talk to me  
And tell me what he has in store for me  
Could he let me know?  
Cause only God knows the pain I feel  
All day me never eat no meal  
Oh all them say the good die young  
Now the dead's getting younger  
Age ain't nothing but numbers  
This life's a jungle sometimes  
I really wonder how I keep from going under  
So before me mother cry and her eyes start swell  
Cause her son end up like Vybz Kartel
