Science

Burna Boy

Huh, huh, huh, huh
Everybody de body, de body, de body
De body, de body, de body, oluwaburna ti de o

Baby o, baby yes na me be your client
When you wine you dey do me science
Any market you sell I dey buy am
You make my body dey feel one kind
If I ask you now you go deny am
But I know say you dey do me science
My baby smart but me I too wise o
As you dey dance my baby na suicide o
Everybody know that I'm the gyal dem controller
Anywhere mi dey mi want the girl dem come over
You're playing russian roulette with loaded revolver
And if you kill yourself we go call in Olopa

Wee wan, wee wan, wee wan, wee wan
Wee wan, wee wan, wee wan, na mi na mi, yeah
She dey call me every moment
Live my life and I enjoy every moment
Na the vibe me I dey for this new year, yeah
I dey find gele toh beautiful, yeah
I dey find where my body go cool e
Cool e cool e, body go cool e
Truly my ability, e needy the type of man with agility
'Cause you get all the qualities to be my baby
If they say I do you wrong olorun it wasn't me

Baby yes, na me be your client
When you wine you dey do me science
Any market you sell I dey buy am
You make my body dey feel one kind
If I ask you now you go deny am
But I know say you dey do me science
My baby smart but me I too wise o
As you dey dance baby na suicide o
Everybody know that the girl dem controller
Anywhere mi dey mi want the girl dem come over
You're playing russian roulette with loaded revolver (Baby o)
And if you kill yourself, we go call in your lover

Wee wan, wee wan, wee wan, wee wan
Wee wan, wee wan, wee wan, wee wan
