

Secret

Burna Boy

I know, know
I know, know
I know, know, know, know
Baby, can you keep a secret shhhh for a long, long time
When you're awake or sleeping shhh
Say my name no time
I know, I know I don't need more
Baby oh, but I got my wife
I know you want, you want to be my wife

Hey, say make me tell me say Angeli - fi relax
And don't be tripping when I'm gone 'cause I'll be back
Your friends tell me na your earls
Demma chat naa naa
Girl, I know you like it when I hit it from the back
I know you like it when I spend the money stack
I got a wifey but don't worry about that
You already know that I

I know you wanna spend more time (spend more time)
I know you wanna spend more time but
Hey baby, can you keep a secret shhhh for a long, long time
When we are way gone sipping shhh
Say my name no time
I know, I know I don't need more
Baby oh, but I got my wine
I know you want, you want to be my wife

Oh god
When me on bed that no mean say me done
Baby girl, I'm trynna show you where I'm coming from
You only talking 'cause I make you cum after
Everytime I bring you closer, closer
Smack your booty and choke ya
March like a soldier when I tell you "come over", yeah

I know you wanna spend more time (spend more time)
I know you wanna spend more time but
Hey baby, can you keep a secret shhhh for a long, long time
When you're awake or sleeping shhh
Say my name no time
I know, I know I don't need more
Baby oh, but I got my wife
I know you want, you want to be my wife

She wanna dance to the beat, wanna conversate
Might end up in her bed, if it cost a day
It could be about a week when we on vacay
You know you got it coming when you come my way
I return my love for the woman that's the one for me
I give you everything, you still want it all from me
I'll pull up when you need company

I know you wanna spend more time (spend more time)
I know you wanna spend more time but
Hey baby, can you keep a secret shhhh for a long, long time
When you're awake or sleeping shhh

Say my name no time
I know, I know I don't need more
Baby oh, but I got my wife
I know you want, you want to be my wife
