

# We On

**Burna Boy**

Made my mind up, I ain't coming back  
Why the fuck is you on my ass  
You know you can't hold me back  
These new niggas ain't even gonna last  
My bad that I can't do more  
Oh, but it ain't my fault  
That you just can't love me anymore

Told ya, I'mma get it on my own  
Bossing up that's all I know  
I just got these fuckin' bank rolls  
Ask what the fuck I'm gon' do

I'm gonna Snapchat in a fur coat  
Always got the fam real close  
Snapchat in a Lambo  
How fast is you gon' go? (Ah, ah, oh we)  
This is the shit that we on, on, on  
I smoke a zip of that strong, strong, strong  
Smoking that thing 'til it's gone, gone, gone  
Niggas gon' ride to my song, song, song  
Snapchat in a fur coat  
Always got the fam real close  
Snapchat in a Lambo  
How fast is you gon' go? (Ah)

Is it me you're looking for?  
I ain't really mean to call  
I been whilin' on my tour  
And the only number I could think of, was yours  
Think I had way too much to drink  
Took my chain off and lost a link  
Spent so much think I broke the bank

Cause I told ya, I'mma get it on my own  
Bossing up that's all I know  
I just got these fuckin' bank rolls  
Ask what the fuck I'm gon' do

I'm gonna Snapchat in a fur coat  
Always got the fam real close  
Snapchat in a Lambo  
How fast is you gon' go? (Ah, ah, oh we)

Niggas gon' ride to my song, song, song  
Snapchat in a fur coat  
Always got the fam real close
