

Empyre

Burning Point

The war is over but the battle`s just begun
I met the devil`s minion, it was case of hit and run
It was time to do or die...

Giving up to my demons, mistake that i won`t do
Blinded by neons for a while i was a fool
but now we have build...

BRAVE NEW EMPYRE
The untouchable, the unbreakable
BRAVE NEW EMPYRE
reaching new horizons, storming with defiance

Am i to blame from your imperfection
It`s truly a shame, you gained nothing from the lecture
and now it`s all about...

BRAVE NEW EMPYRE
The untouchable, the unbreakable
BRAVE NEW EMPYRE
reaching new horizons, storming with defiance
