

Don't Mess With Jill

Burning Spear

Don't mess with Jill
Don't mess with Jill
Don't mess with Jill
Don't mess with Jill
She's mine, oh mine
She's mine, oh mine
She's mine, oh mine
Alright now, my friend, alright now, my friend
Alright now, my friend, alright now, my friend
Leave my baby alone
Leave my baby alone
Leave my baby alone
Alright now, my friend, alright now, my friend
Alright now, my friend, alright now, my friend
I love her so
I want you to know
She's mine, oh mine
Alright now, my friend, yeah
Alright now, my friend, alright now, my friend
Don't mess with Jill
Don't mess with Jill
Don't mess with Jill
Don't mess with Jill
She's mine, oh mine
She's mine, oh mine
She's mine, oh mine
Alright now, my friend
