

## Friends

## Burning Spear

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?  
Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?

What friend does best  
is to Know his friend  
What friend does best  
is to Love his friend  
What friend does best  
Care for his friend

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?  
Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?

Why you get so rough on me?  
Why you get so hard and mean?  
Why you judge me wrongfully?  
Why you get so rough on me?  
Why you get so hard and mean?  
Why you judge me wrongfully?

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?  
Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?

I thought you were my neighbor,  
or my friend, but not my enemy  
I thought you were my neighbor,  
or my friend, but not my enemy

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?  
Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?

I didn't make no move to hurt no one  
But if you say I do, where is your evidence?  
I didn't make no move to hurt no one  
But if you say I do, where is your evidence?

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?  
Are you my friend, my  
neighbor, or my enemy?

Who are you? Who are you?

No more, no more of that  
I am this and you are that  
No more, no more of that  
I am this and you are that  
No more, no more of that  
I am this and you are that  
No more, no more of that

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?  
Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?

Are you my friend, my  
neighbor, or my enemy?  
Who are you? Who are you?
