

Get Ready

Burning Spear

People, get ready; For, the time has come
We don't want no baggage, just get on board (Yeah)
This is the day, what I were waiting on
All we gots to do, just move along

Oh, people, get ready, get ready
Oh, people, get ready

We don't want
No fighting, no cursing, no dragging
Just - move as one

Oh, people, get ready, get ready
Oh, people, get ready
Oh, people, get ready (Yes a now)
Oh, people, get ready (Hmm)
