

He Prayed

Burning Spear

Birds have their quiet nest
Foxes in their own hole
Man have their peaceful rest
He have nowhere to lie his head

He prayed; yes, he prayed
He prayed; yes, he prayed
He prayed; yes, he prayed
He prayed; yes, he prayed (Yes, he prayed)

He prayed, yes, he prayed
For I and you, you, for I and you
He prayed, yes, he prayed
Yes, he prayed

Yes, yes he prayed
Yes, he prayed; yes, he prayed
For I and you, you
Yes, he prayed; for I and you
He prayed; yes, he prayed

You gots to believe me that he prayed
You gots to hear what I say
Yes, he prayed; he prayed
Yes, he prayed; yes, he prayed
Yes, he prayed; yes, he prayed
