

Journey

Burning Spear

We've been travelin', more than 2000 miles.
We've been travelin', more than 2000 miles.
Can't get no, can't get no, shady tree to rain.
And the suns so red hot, hotter than hot, red hot.
Let me tell you, let me,
This is the song we were singing.
Comin along, oh yeah,
Journey, journey, journey,
Journey, journey, journey, journey.
Journey, journey, journey,
Journey, journey, journey, whoa oh. Journey,
Journey, journey, journey, journey, journey,
Long long long...
This road is like a jungle, trees so tall.
Yes bushy bushy,
This road is like a jungle, trees so tall.
Yes bushy bushy, let me,
Journey, journey, journey,
Journey, journey, journey, journey.
Journey, journey, journey,
Journey, journey, journey...
We been travelin', more than 2000 miles.
And the suns so red hot, hottah hot,
Let me tell you about.
Journey journey journey... Yeah, yeah, yeah...
