

No More War

Burning Spear

We don't want no more war Pon no good, no good Can't take
it no more, no more
We don't want no war, no more war We don't want no more
war, no more war
Amongst the black congregation, no more war Amongst the
black congregation
Come let we live it up, come on, come on Come let we nice
it up, come on, come on Come let we sweep it up, come on,
come on Come let we love it up, no loss
So, we don't want no war No war, can't take it no more We
don't want no more war, no more war No more, we don't
want, want no more war We don't want no, no, no more war
No more...
Everyday gone a fire (p.i. p.i. p.i.) Day and night bomb
a explode (boom a boom a boom) Too much youths a deh
Whose fight, it is a question I ask Too much youths a deh
Whose fight, it is a question I ask
We don't want no war, no more, no more We don't want no
more war Can't take it no more Oh, war no good, no good,
no good No war, NOOOO!!!
We don't want no more war, no more war Everyday gone a
fire
