

# Old Marcus Garvey

Burning Spear

No one remember old Marcus Garvey  
No one remember old Marcus Garvey  
No one remember old Marcus Garvey  
No one remember old Marcus Garvey

No one remember him, no one  
They been talking about Paul Bogle  
They been talking about William Goddon  
They been talking about Norman Washington Manley  
Including Bustamante

No one remember old Marcus Garvey  
No one remember old Marcus Garvey

Finest time  
John the Baptist's head were cut off  
Put it away into a saucer  
Still disciples have oh Lord believe me  
Yes they stoneth him to death

No one remember old Marcus Garvey  
No one remember old Marcus Garvey

This day the right way  
This day the right way  
This day the right way  
All us got todo is  
A true black Lou I  
A hatred scatter, even melt before the fire light go out

No one remember old Marcus Garvey  
No one remember old Marcus Garvey

Children, children, children, children  
Humble yourself and become one day somehow  
You will remember him you will

No one remember old Marcus Garvey  
No one remember old Marcus Garvey

Garvey's old yet young  
Garvey's old yet young  
Garvey's old yet young  
Garvey's old yet young
