

Old School

Burning Spear

Calling, calling, calling...
Back to the old school, once
More, back to the old school,
Back to the old school, once
More, back to the old school.
There is changes
Of teachers,
But the subjects remain.
Back to the old school.
There is changes
Of teachers,
But the subjects remain.
Back to the old school.
Back to the old school, once
More, back to the old school,
Back to the old school, once
More, back to the old school.
Yes, my pencil
Was sharpened by a razor -
Sharp, razor sharp
Yes, my pencil
Was sharpened by a razor -
Sharp, razor sharp
Back to the old school, once
More, back to the old school,
Back to the old school, once
More, back to the old school.
I am feeling happy again,
To go back. I see a lot
Of old students.
I am feeling happy again,
To go back. I see a lot
Of old students.
Back to the old school, once
More, back to the old school,
Back to the old school, once
More, back to the old school.
Calling, calling, calling...
Back to the old school, once
More, back to the old school,
Back to the old school, once
More, back to the old school.
Yes I go back to Harry J's,
I still feel the vibes
Of Joe Gibbs.
Yes, I remember Randys, yes.
Yes I go back to Harry J's,
I still feel the vibes
Of Joe Gibbs.
Back to the old school, once
More, back to the old school,
Back to the old school, once
More, back to the old school.
The music is coming from ska,
Rocksteady, Reggae!
Back to the old school, once
More, back to the old school,

Back to the old school, once
More, back to the old school.
