

Try Again

Burning Spear

Come now people, let's try again (Let's try again)
Come now people, let's try again
Let's try again - yes (Let's try again)
A-come now people, let's try again
Let's try again, let's try again - yes, yes, yes
Let's try again - yes, yes, yes
Let's try again - yes, yes, yes

You do expect someone to assist you
In the appointed time, they fail you
You do expect someone to assist you
In the appointed time, they fail you

Marcus Garvey said, "self reliance, self reliance, self reliance"
"Self reliance, self reliance, self reliance"
Mistakes carry no failings
Mistakes carry no failings

Come now people, let's try again (Let's try again)
Come now people, let's try again
Let's try again - yes (Let's try again)
Ah come now people, let's try again
Let's try again, let's try again - yes, yes, yes
Let's try again - yes, yes, yes
Let's try again - yes, yes, yes

We will never give up the praise and prayer
We will never give up the praise and prayer

Come now people, let's try again (Let's try again)
Come now people, let's try again
Let's try again - yes (Let's try again)
Ah come now people, let's try again
Let's try again, let's try again - yes, yes, yes

Let's try again - yes, yes, yes
Let's try again - yes, yes, yes

Me got to get food for our daughter
But she can't depend on that piece of paper
We got to figure out a way
That we can jump over

Come now people, let's try again (Let's try again)
Come now people, let's try again
Let's try again - yes (Let's try again)
Ah come now people, let's try again
Let's try again, let's try again - yes, yes, yes
Let's try again - yes, yes, yes
Let's try again - yes, yes, yes

In a time like now
It's not about 'who feels it knows it'
What about the man
Who never felt it but knows it?

Come now people, let's try again (Let's try again)

Come now people, let's try again
Let's try again - yes (Let's try again)
Ah come now people, let's try again
Let's try again, let's try again - yes, yes, yes
Let's try again - yes, yes, yes
Let's try again - yes, yes, yes

A-keep on tryin' (Yes, yes, yes)
Never stop tryin' (Yes, yes, yes)
A-keep up tryin' (Yes, yes, yes)
Never stop tryin' (Yes, yes, yes)

A-keep on tryin' (Yes, yes, yes)
Never stop tryin' (Yes, yes, yes)

Yes, yes yes
Let's try again
Yes, yes, yes
Let's try again
Yes...
