

We Feel It

Burning Spear

We feel it, yes, we feel it,
Yes, we feel it.
When I'm travelling
My Journey, yes I always
Remember him.
When I'm travelling
My Journey, yes I always
Remember him.
Trip trip trip brigdit
And I can remember the first
Time I feel,
Jah, Jah, Rastafari,
I was so young and green
But Jah, Jah know that
We were real
I was so young and green
Oh Jah, Jah know that
We were real
Oh Jah, oh Jah
Oh Jah, Jahm oh
And I can remember,
Going to the city,
The apples, yes the big apple
And I can remember,
Going to the city,
The Apple, yes the big apple
Is everything going
To be like before?
Is everything going
To be like before?
We feel it, yes, we feel it,
Yes, we feel it.
Oh Jah, oh Jah, oh Jah,
Jah, oh oh Jah, Jah, oh
Some business
Will never be the same
Some people
Will never be the same
We feel it, yes, we feel it,
Yes, we feel it.
Oh Jah, oh Jah,
Oh Jah, Jah, oh
Oh Jah, oh Jah,
Oh Jah, Jah, oh
Oh Jah, Jah, oh
Oh Jah, Jah, oh
When I'm travelling
My Journey, yes I always
Remember him,
When I'm travelling
My Journey, yes I always
Remember him,
Oh Jah, oh Jah,
Oh Jah, Jah, oh
Oh Jah, oh Jah,
Oh Jah, Jah, oh
Oh Jah, Jah, oh

Oh Jah, Jah, oh
