

Arrow Of Time

Burning Witches

Time waits for no one
Is it your friend or foe
In time the truth will show
Time is perpetual
But when it is your time
It will surely let go

Oh, isn't it funny
How we always want what we can't get
You can't put a price on the time you get no
No, don't have no regrets
On the dark and windy road
Just stop trying to defy

The arrow of time
The arrow of time
The arrow of time
The arrow of time

Time keeps on ticking
March for the holy grail
Grasping at no avail
Time should be what you want
Treat it for what it's worth
A treasure to unearth

Oh, isn't it funny
How we always want what we can't get
You can't put a price on the time you get no
No, don't have no regrets
On the dark and windy road
Just stop trying to defy

The arrow of time
The arrow of time
The arrow of time
The arrow of time

The arrow of time (Have no regrets)
The arrow of time (Yeah, just stop looking back, never forget)
The arrow of time (These times we have, are all we ever get)
The arrow of time (From the arrow of time)

The arrow of time
The arrow of time
The arrow of time
The arrow of time
