

Necronomicon

Burning Witches

Spirits are lingering in darkness
As a foulness you shall know them
Their claws are reaching from the abyss
When their hands are at your throats
Yet, you see them not
Man has never been the oldest
And won't be the last of earth's masters
They bend the forests, crush the cities
Gaia holds their consciousness
Beware the hand that smiles

(Let us see)
Don't lay eyes upon the Necronomicon
Necronomicon
(Meet the cursed gods and kneel)
Fear the power of the Necronomicon
Necronomicon
(They will reign again)
Necronomicon

No man can look upon them
Hear the howling of the demons
Man rules now where they ruled once
They shall soon rule where man rules now
Sanity undone

(Let us see)
Don't lay eyes upon the Necronomicon
Necronomicon
(Meet the cursed gods and kneel)
Fear the power of the Necronomicon
Necronomicon
(They will reign again)
Necronomicon

That is not dead
Which can eternal lie
And with strange aeons
Even death may die

(Let us see)
Don't lay eyes upon the Necronomicon
Necronomicon
(Meet the cursed gods and kneel)
Fear the power of the Necronomicon
Necronomicon
(They will reign again)
Let us see)
Don't lay eyes upon the Necronomicon
Necronomicon
(Meet the cursed gods and kneel)
Fear the power of the Necronomicon
Necronomicon
(They will reign again)
