## Burning Witches

Don't be too good  
Don't be too bad  
Do you have something to hide?  
Curse you heathen  
Curse your demons  
Darkness has to make way for holy light

Everybody's sinning  
Everybody's burning

Shame  
Shame  
Shame  
Shame

Out with the old  
Out with witchcraft  
God will punish, you will be purified  
Where were you?  
This Sunday's mass?  
Heretic, you will be next in line

Everybody's sinning  
Everybody's burning  
Lost inside a cruel world  
Where power is religion  
And you're the one to blame

Shame  
Shame  
Shame  
Shame  
And you're the one to to blame  
Shame  
Shame  
Shame  
Shame

Shame  
Shame  
Shame  
Shame  
And you're the one to to blame  
Shame  
Shame  
Shame  
Shame
