

## Soul Eater

## Burning Witches

Total destruction  
Now save yourself 'cause you are up next  
To get up and get out  
Don't waste around for a slow painful death

Claws are closing in  
Run for your life

Murder and terror  
Once it is close, there's no turning back  
To get up, be quick, get out  
Think fast or it's sucking out your zest

Claws are closing in  
Run for your life
