

## Reflections

Burt Bacharach

When you look the mirror, do you like what you see?  
If you like what you see, then you're the person you should be  
'Cause your reflection reflects in everything you do  
And everything you do reflects on you

When you wake up each day, do you like how you feel?  
If you like how you feel, you've got nothing to conceal  
'Cause your reflection reflects in everything you do  
And everything you do reflects on you

Doing something for someone else  
Is it really for someone else?  
It does twice as much for you  
As something you do  
Just for yourself

When you lay down to sleep, do you like how you dream?  
If you like all your dreams, life's as happy as it seems  
'Cause your reflection reflects in everything you do  
And everything you do reflects on you

Just for yourself

When you lay down to sleep, do you like how you dream?  
If you like all your dreams, life's as happy as it seems  
'Cause your reflection reflects in everything you do  
And everything you do reflects on you
