### Bury Tomorrow

Take it, with you to the dark  
Trace this back so far  
It is ending, ending slowly for you  
Let me take you back, to the place and the time, when everything went  
black  
Let me take you there, do you remember how it feel that icy cold star  
e?  
Do you honestly believe you're safe, close to the unknown  
Are you certain you're not running scared from your hell?

He has murderous intent  
I am certain of this  
It will never be the same  
It will never be the same

He has murderous intent  
I am certain of this  
It will never be, it will never be the same

Take it, with you to the dark  
Trace this back so far  
It is ending, ending slowly for you

So how do you feel? If you really do at all  
I'm not sure if your ready for the fall  
Find yourself some shelter, live with your denial  
Run from it, hide from it and think of it no more

He has murderous intent  
I am certain of this  
It will never be the same  
It will never be the same

He has murderous intent  
I am certain of this  
It will never be, it will never be the same

For forgiveness, do you feel it too?  
This is more than hate, this is murder  
This is murder!

He has murderous intent  
I am certain of this  
It will never be the same  
It will never be the same

He has murderous intent  
I am certain of this  
It will never be
