Bus Stop

Hey You  
Don't Do that  
Do this  
It's the Bus Stop bitch song  
Got no car  
No job  
No money  
No girls  
No love  
And that's not funny  
No Porsche  
No jag  
No woman  
No clothes  
No pitch  
And we ain't got a stitch  
Life's a bitch  
One two  
Hey you  
Once again G-mark and me  
Doing a track for the boys A-C  
(?) If the truth be told  
The name's Bus Stop, you know 'Good ole'  
And that's what gets me down  
No more pennies  
No more pounds  
But it's alright hey it's ok  
Every dog's got to have his day  
Got no job  
Ain't got no money  
Got no love  
And it ain't funny  
Got no car  
No job  
No money  
No girls  
No love  
And that's not funny  
No Porsche  
No jag  
No woman  
(?)  
No clothes  
No pitch  
And we ain't got a stitch  
Life's a bitch  
Hey you  
One two  
Life's a bitch, I'm sure you know  
Time's up now, away we go  
Wave bye-bye, don't you cry  
I'll be your guy
