Something that will hit your spot make you feel so hot

Let's hope those pennies drop

So baby come and check this program D.A.Z. mashin' up the slow jam

So you can be who you are

Now when I flex it up you go Woo Haa!

So put those hands high step aside

C'mon join this retro vibe we got it goin' on in the middle

So baby shake that thang... just a little

Follow me cause I'm goin' far

People say who do you think you are?

Well this night you won't forget

I'm telling you babe you ain't seen nothin' yet

Oh Baby Baby

Wig-wam bam thank you ma'am, I need a girl I can smooth 'n' slam

She got to be on the scene, sweet 16 an' like ten-fifteen

I'm gonna show her a good time

I'm gonna go where the sun still shines

'Cause that's all I aim to do my 5.5 kicks right at you

Now I'm in demand I look so nice

I wanna put the drop on Baby Spice

Cause she's got style and grace

I like to see her put her lips on my face

Oh yeah she's gonna take the mick

But I don't care cause I got a new trick

Now I'm in the zone getting set
