

## Losing You Again

Busdriver

I can't believe I lost you  
How much did this love cost you  
Blindside across the spectrum  
I can't believe I lost you

You know I'll land on my feet  
You know I can't be beat  
I can't believe I lost you  
I can't believe I lost you  
[?] still you beg for more  
I put my fingers on your palms  
Make your insides crawl

Walking to [?] you nightmare [?]  
On your deathbed dreaming wildly

Is it real  
Is it real

I can't believe I lost you  
How much did this love cost you  
Blindside across the spectrum  
I can't believe I lost you

How can you be sure  
She won't return  
How can you be sure  
She won't return
