

Stylin' Under Pressure

Busdriver

Yes...

Welcome to Carl's Junior, can I help you?

Yes, I am a head hunter
I am looking the ultimate woman sex lover
But, it's hard to stay a lie
So I had to take the next number
I can't find anybody in the dead of summer
But you know what, I think I'll have the fries

Anything else?

Hmm... actually, give me the Happy meal
With the rapper who doesn't have any skill
But has a contract for half a mil
Served up with a plague full of daffodils
That would do it for me!

Okay, what would you really like to order?
Because [*laughing*]
What is it that you want?

Gimmie a... Hmmm... you know what?
Give me a person burger
Because eating a hamburger
Is worse than murder
So I would prefer that

A what?

Give me a million dollars!
How bout dat?

Give me a superstar

A superstar?

Yeah...

You want the combo for that?

Cause I'm a superstar
But you don't know who we are

Just a superstar?

Hmm... yes a superstar
Cause I'm known to tutor her bars
And... Hmm uh oh. Yes a superstar

Okay so a superstar

And also give me a medium drink
How bout a how bout a medium sprite
Because I'm exceeding them sites
Upon me with all types of digital cameras

I'm cynical sized sky scanner
Ooooh...
A medium sprite, yeah yeah yeah yeah yeah
