

# All My Life

Bush

Watch your back as life comes over you  
Choose your weapon before you have to  
You disappear in a sea of danger  
If you're going, baby go faster

I've seen you dance  
I've seen you dance through the radio  
For gold again  
You're going for gold again

All my life  
I have waited for this moment  
All my life, tonight  
Tonight

Touch the sky because now we are weightless  
Floating out into empty spaces  
We are faceless, we are soldiers  
We believe what you told us

I've seen you dance  
I've seen you dance through the radio

All my life  
I have waited for this moment  
All my life, tonight  
(Feelings don't die)  
All my life  
I have waited for this moment  
All my life, tonight  
(Ocean-sized)

And I lose myself in you  
And I lose myself in you

All my life  
I have waited for this moment  
All my life, tonight  
(Feelings won't die)  
We're running out of time  
We've got to get this right  
Here we are, here we are, tonight  
(Ocean-sized)

All my life, tonight  
(Ocean-sized)  
All my life, tonight  
(Ocean-sized)

Ocean-sized...
