Beware False Prophets

Bush

Swimming in the ocean, I dive
Been in the wrong place all night
Sunlight torches the skies
And people lie all the time
People all the time

Keep on like a champion
Keep on like a champion
Keep on like a champion
Keep on like a champion
We destroy

Beware false prophets
Beware filthy innocence
Dressed up in flames
You so heavy with hate
You so heavy

If only the walls are heaven
I'd like to go there
If only the walls have gone
I have so many questions

Heaven, heaven
I'd like to go there
Heaven, heaven
I'd like to go there

Waiting for the heroes we rise
We gave ourselves to the fight
X-ray show us one sign
We change all the time
We change all the time

Keep on like a champion
Keep on like a champion
Keep on like a champion
Keep on like a champion
We destroy

Beware false prophets
Beware filthy innocence
Dressed up in flames
You so heavy with hate
You so heavy

If only the walls are heaven
I'd like to go there
If only the walls have gone
I have so many questions

Heaven, heaven
I'd like to go there
Heaven, heaven
I'd like to go there

Heavy, heavy

Keep on like a champion
Heavy, heavy
Keep on like a champion
Keep on like a champion
Heavy, heavy
Keep on like a champion

Home, a place I need to go
Searching for a low
This is no religion

Home, a place I need to go
Searching for a low
This is no religion

I'd do it again
I'd do it again
I'd do it again
