Landslide

Bush

I took my love and took it down
Climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
'Til the landslide brought me down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides
Can I handle the seasons of my life?

Don't know

Well, I've been afraid of changing
'Cause I've built my life around you
Time makes you bolder
Children get older,
And I'm getting older too

Well, I've been afraid of changing
'Cause I've built my life around you
Time makes you bolder
Children get older,
I'm getting older too
I'm getting older too

So take this love and take it down
Climb a mountain and turn around
And I saw my reflection in the snow covered hills
Well the landslide brought me down

Well I saw my reflection in the snow covered hills
And maybe the landslide will bring you down, down
Well, well the landslide will bring you down
