

# Learning To Swim

Bush

Pay  
We all gotta pay  
For what we did wrong  
Its gotten real bad

Run  
Hard to run  
We're making ground  
There's a sharp thin road  
It's a sharp thin road

I think about you all of the time  
I think of you when i'm trying to swim  
I think about you all of the time  
I think of you when i'm trying to swim  
Learning to swim  
Learning to swim

Love  
Love yourself  
With your weapons and tools  
To get you through

Shine  
To the best that you shine  
I'm making ground  
There's a sharp thin road  
Swim a sharp thin road

I think about you all of the time  
I think of you when i'm trying to swim  
I think about you all of the time  
I think of you when i'm trying to swim  
Learning to swim  
Learning to swim

Yeah yeah  
Learning to swim  
Yeah yeah  
Learning to swim  
Yeah yeah  
Learning to swim

Think about you all of the time

I think about you all of the time  
I think of you when i'm trying to swim  
I think about you all of the time  
I think of you when i'm trying to swim

Yeah yeah  
Learning to swim  
Yeah yeah  
Learning to swim  
Yeah yeah  
Learning to swim
