

# Sleeper

Bush

Oh sleeper, baby  
Don't sell my head  
Oh sleeper, baby  
Don't sell my head

Oh, what you say  
Take that in evidence  
You leave me still  
When your ego betters you

Oh creeper, baby  
So old fashioning  
Creep-creeper, baby  
Gotta get it all in

To hold on to everything  
Give it all away  
I suspect you nothing  
Except being yourself again

Here comes the sleeper  
Real in disguise  
Subterranean water  
Up to my eyes

Oh cheater, baby  
I smell your ways  
Cheap-cheaper, baby  
Heard it all today

Twisting it out of face  
Center again  
I've got to get my fingers back  
I gave it all a ring

Here comes the sleeper  
Real in disguise  
Subterranean water  
Up to my eyes  
Up to my eyes  
Up to my eyes

Well, here comes the sleeper  
Real in disguise  
Subterranean water  
Up to my eyes

Here comes the sleeper  
Real in disguise  
Subterranean water, water, water  
Up to my eyes  
Up to my eyes  
Up to my eyes
