

AAAHHHH!!!

## Busta Rhymes

Yeah, yeah  
Woo! Yeah, woo! Yeah, woo! Yeah  
Look

Niggas want me to busta rhymes, so ironic  
It's Busta Rhymes, so iconic  
Niggas can't fuck with the kid, you know the logic  
Bounce dookie shit, 'fore we make it a topic  
I'm shitting on niggas to where I need a colonic  
Or when I'm showing up and only collecting the profit  
Sha, sha, sha, que sera is how I picks it up  
Making niggas put holes in the wall is how I rip shit up  
'Tron, a lil yak and some kush is how I mix shit up  
I love the way she gets down on her knees and how she licks it up  
The way a nigga give you the shit and how he thinks it up  
Look, pardon me, yeah look, peep how I lift shit up

Woo! Yeah, yeah  
I just drop a big bag  
I just drop a big bag  
On a brand new  
AAAHHHH!  
Yeah I just pulled up to the club  
With the top off, all new  
AAAHHHH!  
Woo! Went shopping four days, four days  
Riding with the, riding with the  
AAAHHHH!  
Right! I don't really give a  
AAAHHHH!  
Now let the beat drop  
Clap on, now we gon' clap on  
Clap off, clap on, yeah we gon' clap on  
Nigga talking all crazy, strap all on  
Tell homies clap off from the clap

Clap off, clap on, bitch we back on  
Wall in the west wing, hang my plaques on  
I be blacking in this bitch 'til the whole track gone, King Kong  
Got 'em bouncing off the walls, ping pong  
Rolls Royce Wraith seats, I'm resting my back on  
Bottles of 1942, getting my drank on  
Funny how my mommy say she love my rap song  
How a nigga keep it fresh, Balmain slacks  
Now that's wrong, she ripping off her new black thong  
Now she bugging, shorty, can't believe the dick that long  
Collapse on the couch inside of my mansion  
Wish y'all niggas could've really seen my reaction

Woo! Yeah, yeah  
I just drop a big bag  
I just drop a big bag
